Lift maintenance logbook

A continuing index of each lift's service events and open issues. Attach individual service reports separately.

Lift register

Lift ID	Site	Type	AMC reference
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Event log

Date / event	Lift / type	Summary	Source report
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Open issues

Issue ID	Lift	Owner / target	Status
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Record each planned visit, breakdown or callback separately. A completed job is not proof of operating safety. This log does not replace prescribed registers or certificates.
